**Entries are now invited to the 3<sup>rd</sup> CLUB'S FIAP WORLD CUP for digital projected images.** Wigan 10 were the first World Champions and many UK Clubs have done well. All that is required is a CD with just 20 colour or monochrome images - with a maximum of two photos per author.

## **New PAGB Recorded Lecture from 2008**

"A Presentation by Phil, Gwen and Chris Charnock". This compilation of images charts Phil and Gwen's photographic journey from their first entry in club competitions through to their venture into the commercial world of running a successful business and photographic studio. The pictures show how imagination and creativity can work both with film, and digital enhancement using 'Photoshop'. Their stunning photographs have won them over 500 awards and illustrate their creativity and wide range of techniques. Their son Chris brings an added dimension with his sporting images. Book from Stephanie Cook, 58 High Street, South Milford, Leeds LS25 5AF 01977 682857 or visit [www.pagb-photography-uk.co.uk](http://www.pagb-photography-uk.co.uk)

## **GB Cup - correction and apology**

For reasons I do not understand but are entirely the fault of your editor we incorrectly listed Beaumaris & Menai Bridge as 4<sup>th</sup> in the GB Cup for Small Clubs when in fact they were 3<sup>rd</sup>. It is now impossible to recognise this in the CD already distributed but a revised report & results is attached with my humble apologies. Please note also the change from Clive Jones to Cliff in the awards section.

I have produced a few more GB Cup CDs – available at £11 inc p&p (cheques to PAGB) and when they are gone the show will be available from the Recorded Lecture Service.

**If you have events or exhibitions that you would like to publicise via this newsletter please e-mail details to Rod.**
