#### **FRIDAY 4<sup>th</sup> December 2009 at 7.30pm**

Denis Thorpe is one of the great photographers of our age, perhaps best remembered for his work with the Guardian newspaper and his iconic pictures of L.S. Lowry's house just after the artist had died. Please see separate leaflets for more details.

#### **SATURDAY 5<sup>th</sup> December 2009 at 10.00am**

**Great Northern Festival** – A National Audio-Visual Competition, lasting all day. In addition to the main prizes, there is a special prize for the best beginner's sequence, so everyone is in with a chance. This is an excellent opportunity to see both National and International standard A-V, and what can be achieved by relative newcomers, all in one competition. Finishing time will depend on the number of entries.

#### **SUNDAY 6<sup>th</sup> December 2009 at 10.00am**

**Royal Photographic Society North West A-V Day** – Attenders' Sequences with comments from our guest speakers and other members of the audience. Our guest speakers will be the three judges from Saturday who will talk about and show some of their work, dropping numerous nuggets of useful information along the way.

Tea, coffee and home-made cake are included in the admission charges on Saturday and Sunday, lunch is available if pre-booked, or you can bring your own sandwiches. The usual information and bring-and-buy second hand equipment stands will be present. You will be welcome on any day, or for the whole weekend.

Information packs will be sent in the Autumn to all previous attendees, and anyone else whom we think might be interested. If you don't receive yours, if you wish to be added to our mailing list, (or be deleted from our mailing list!) or need any other information, just give us a ring. For information about Friday and Saturday ring Suzanne or Howard. For information about Sunday, ring Bill.
