

Lytham St. Annes Photographic Society

On Saturday 21st August demonstrations will be given at the Society's annual exhibition (details below) by

Epson (UK) Ltd

of their flagship R2880 printer, along with some other photo A4 products, to show how to get the best out of your Epson printer, including the use of Photoshop, along with advanced print driver settings. Time permitting, Epson will print some photos for people attending. There will be two sessions:

11.00 am and 2.30 pm

**The number of places is limited.
To reserve a place please e-mail:**

couzens@lytham-st-annes.fsnet.co.uk
