Welcome from the President of the Lancashire &Cheshire Photographic Union
Christine Widdall AFIAP DPAGB, BPE3*

A warm welcome to the 2010 Annual Exhibition of the Lancashire & Cheshire Photographic Union (L&CPU) at Kirkby Library.

Our Annual Exhibition of members' work has been selected from our club entries to the L&CPU Annual Competitions, which this year attracted an entry of some 4,500 prints & projected images!

The Annual Competition judging took place at Ainsdale & Bebington, on May 15th and this year is the first time that the prints and projected images have been judged on the same day. Organising and running the competitions day is no mean feat and involves a high degree of organisational skills, concentration, teamwork & good humour! It was a very long day, thirteen hours in total plus travelling time, during which the Exhibition and Folio work was chosen as well as the club and individual awards and the Photographic Alliance of Great Britain (PAGB) Competitions entry. The PAGB entry is a selection of work which is chosen from the "best of the best" to represent the L&CPU in the PAGB Inter-Federation Competitions. Our PAGB print entry for 2009 is included in this exhibition.

We give our grateful thanks to Jo Dry & Sarah Craven at Kirkby Library & Gallery for hosting this event, for all their help in facilitating the Exhibition and help with hanging the prints.

Our thanks also go to:

- Our six judges: Keith Suddaby, Barry Mead & Leo Palmer for the projected images & Simon Allen, Karen Berry & Sandy Cleland for the prints.
- Exhibitions Secretary, Tremaine Cornish, for all his hard work in preparing the exhibition and compiling this catalogue.
- Competition Secretary, Henry Mullarkey, and his team for organising the Annual Competitions & Henry in particular for managing the prints judging event and dealing with the numerous challenges that occurred during the day!
- Noel Morgan & Gordon Jenkins with their team of helpers for organising & running the projected images judging event at Ainsdale.
- Ian Aldcoft for his work before, during & after the competitions in preparing the entry files, managing the database and collating the Results.
- Our Exhibition, PAGB and Folio Selectors, Bob Dennis and Gordon Jenkins.

We have a great team of people who selflessly give up countless hours before during and after the selection day in addition to their other duties for the Union throughout the year.

Congratulations to all the winners but, above all, our congratulations and thanks go to all the entrants, without whom this event could not take place and also to the Young Photographers who produced some really wonderful images. The standard seems to be rising year on year and I am sure that visitors to the Exhibition will be delighted and inspired by the work on display.

The Judges Comments

Print Section

We would like to thank the chairman and his organising committee for all the hard work in preparing the prints for the judging. We also greatly appreciated the hospitality that we received throughout our stay. This made the selection a very pleasant and enjoyable task. The standard was very high and we would like to congratulate all who had prints accepted. And special congratulations to the Award Winners.

Simon Allen MPAGB, EFIAP

Karen Berry ARPS, AFIAP

Sandy Cleland FRPS, AFIAP

Projected Image Section

General - The selectors really enjoyed viewing all the work on display & were impressed by the high standard. Digital manipulation was evident but the majority were altered to a high standard. The winning images were all eye catching & would have held their own in any International Salon.

Nature - The standard was if anything exceeded in this section. Sometimes a nature section does not live up to expectations - This was not the case here. First class technique & images with a difference was the order of the day.

N.B.: As in previous years, the Annual Exhibition is comprised of 150 prints but this year five extra prints have been included from the L&CPU Archive which are listed on the opposite page. The main exhibition is made up of prints that represented the L&CPU in the 2009 PAGB Inter-Federation Print Competition and a selection chosen from the various Print Folios that will tour the member clubs over the coming season. We seek to have a varied exhibition to represent the range of styles and subjects to which members turn their attention.

The L&CPU Website

<http://www.lcpu.org/>

The site is updated weekly with:

- Club News
- What's on in the L&CPU Region
- Picture of the Week
- Competition Results
- Entry forms for all our Competitions
- Club information & web sites
- PAGB information

This is a one stop information site for L&CPU clubs & societies which has all the latest Competition Rules. Any changes to these rules are published here first and the club entry forms can be downloaded for use from the site.

You can join in all the lively discussions on the L&CPU Forum, take part in the monthly on-line competitions, post some of your clubs images and maybe add a few of your own.
