

## **PAGB DISTINCTIONS MENTORING SERVICE**

The L&CPU are pleased to announce the introduction of a mentoring service for club members wishing to apply for PAGB Distinctions. This has been done on an ad-hoc basis up to now by a few people who have prior knowledge of what is required.

We will now use the experience of certain of our Judges who have either judged these distinctions or who have judged at National level.

Leaflets are available from the PAGB website to explain the requirements. The new Mentoring Service will connect would be applicants with one of our experienced judges for one-to-one help and advice.

Anyone wishing to avail themselves of this service should in the first instance e-mail Bob Dennis on [www.bobdennis@madasafish.com](mailto:www.bobdennis@madasafish.com) stating name, address and club.
