Fantastic New CD available!

Wigan 10 have compiled a CD containing information about the club, the last 5 years of their World Cup images, their winning set and all the pictures which won the Maurice Doriken's International Trophy. There is also a selection of work from all members of the group which is sure to give inspiration and fuel the imagination of other photographers in the L&CPU region.

Ideal for any photographer's personal collection and will make a full club evening to entertain and inform an audience.

The CD is for PC only and is manually forwarded to fit any time slot.

See advert for more information.
